

# Cloud Nine

## Evanescence

If you want to live, let live  
If you want to go, let go  
I'm not afraid to dream to sleep, sleep forever I don't need to touch the sky  
I just want to feel that high  
And you refuse to lift me Guess it wasn't real after all  
Guess it wasn't real all along If I fall and all is lost  
It's where I belong If you want to live, let live  
If you want to go, let go  
I'm never gonna be your sweet, sweet surrender Guess it wasn't real after all  
Guess it wasn't real all along If I fall and all is lost  
No light to lead the way  
Remember that all alone  
Is where I belong In a dream  
Will you give your love to me  
Beg my broken heart to beat  
Save my life, change my mind? If I fall and all is lost  
No light to lead the way  
Remember that all alone  
Is where I belong
