

All We Are

[Matt Nathanson](#)

I tasted, tasted love so sweet
And all of it was lost on me
Bought and sold like property
Sugar on my tongue I kept falling over
I kept looking backward
I went broke believing
That the simple should be hard All we are, we are
All we are, we are
And every day is a start
Of something beautiful I wasted, wasted love for you
Trading out for something new
Well, it's hard to change the way you lose
If you think you've never won 'Cause all we are, we are
All we are, we are
And every day is a start
Of something beautiful And in the end, the words won't matter
'Cause in the end, nothing stays the same
And in the end dreams just scatter
And fall like rain 'Cause all we are, we are
All we are, we are
And every day is a start
Of something beautiful, something real All we are, we are
All we are, we are
And every day is a start
Of something beautiful, beautiful
