

# Under Your Spell

## Buffy the Vampire Slayer

I don't eat  
I don't sleep  
I do nothing but think of you I don't eat  
I don't sleep  
I do nothing but think of you You keep me under your spell (3x) I don't eat  
I don't sleep  
I do nothing but think of you I don't eat  
I don't sleep  
I do nothing but think of you You keep me under your spell (6x) la la la (various times)
