

# Aston Martin Music

## Rick Ross

Vibin' to the music, this is how we do it all night  
Breezin' down the freeway just me and my baby in our ride  
Just me and my boss, no worries at all  
Listening to the Aston Martin music, music Would have came back for you, I just needed time  
To what I had to do, caught in the life  
I can't let it go, whether that's right I will never know  
But here goes nothing When I'm alone in my room sometimes I stare at the walls  
Automatic weapons on the floor, but who can you call?  
My down bitch, one who live by the code  
Put this music shit aside, get it in on the road A lot of quiet time, pink bottles of Rose  
Exotic red bottoms, whole body glittered in gold  
Following fundamentals and following in a rental  
I love a nasty girl who swallows what's on the menu Now money triple up when you get it out of state  
Need a new safe 'cause I'm running out of space  
Elory Jetson I'm somewhere out of space  
In my two-seater she's the one that I would take, we Vibin' to the music, this is how we do it all night  
Breezin' down the freeway just me and my baby in our ride  
Just me and my boss, no worries at all  
Listening to the Aston Martin music, music Would have came back for you, I just needed time  
To what I had to do, caught in the life  
I can't let it go, whether that's right I will never know  
But here goes nothing Pull up on the block in the drop top chicken box  
Mr. KFC, VVS is in the watch  
Living fast where it's all about that money bag  
Never front, you take there it ain't no comin' back Top down, right here is where she wanna be  
As my goals unfold right in front of me  
Every time we fuck, her soul take a hold of me  
I digged it like Pookey the pussy be controlling me That thang keep calling  
Fuck maintain, boy, I gotta keep ballin'  
Pink bottles keep coming  
James Bond coupe, pop clutch one-hundred Vibin' to the music this is how we do it all night  
Breezin' down the freeway just me and my baby in our ride  
Just me and my boss, no worries at all  
Listening to the Aston Martin Music, music Would have came back for you, I just needed time  
To what I had to do, caught in the life  
I can't let it go, whether that's right I will never know  
But here goes nothing Aston Martin music, music  
Aston Martin music, music  
Aston Martin music, music

Aston Martin music, musicAston Martin music, music

All night

Aston Martin music, music
