

# Suffer Well (Metope Remix Edit)

## Depeche Mode

Where were you when I fell from grace  
Frozen heart, an empty space  
Something's changing, it's in your eyes  
Please don't speak, you'll only lie  
I found treasure not where I thought  
Peace of mind can't be bought  
Still I believe[Chorus]  
I just hang on  
Suffer well  
Sometimes it's hard  
It's hard to tell An angel led me when I was blind  
I said take me back, I've changed my mind  
Now I believe  
From the blackest room, I was torn  
He called my name, a love was born  
So I believe[Chorus: x2]
