

Original (Feat. Mystikal, Birdman)

Lil' Wayne

I'm a political refugee
That's how the fuck I felt
Birds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail
With big money shit, cash money oilwell
High roller, shot caller, big boss
Original, real nigga from the start
Head huntin', price on a nigga tab
Hit 'em up, for playing with a nigga male[Mystikal]
Niggas say I'm better than Beethoven
To the beat that I rap over
Stay outta that medicine cabinet
Yeah, thats what they told me
They giving us piss test, cause we stay rollin'
And know a nigga act better than a .45 caliber pistol when they loading
They penalize us, tryna slow us down
They constantly fucking us up
Thats why we're buck wild
Call me porch monkey, call me jigaboo
When you know you wanna fuck my woman and eat my barbeque
How the fuck you gon' watch my house
But don't wanna live on my street
The ape man told Tarzan "how the fuck you better than me?"
Rap I run that rock, and got a jump shot
Who we got wife, up in that white house
I took a look and didn't sell out
I was in the building and didn't bail out
Hoping muthafucker didn't fail out
Back to the top from the jail house
Nigga, lace 'em up, tie ya shoe
Catch a cut, we know what pressure do
Birds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail

With big money shit, cash money oilwell
 High roller, shot caller, big boss
 Original, real nigga from the start
 Head huntin', price on a nigga tab
 Hit 'em up, for playing with a nigga maleWho out c'here fucking with me, huh? tell me that
 I'm bout to drop that shit, where my pamper at?
 Try to answer that, or give me my mantle back
 I bury you cockroaches, shoulda left me where I was at
 You dun made that fucking bed
 You dun built this fucking castle
 Buckwheat and Alfalfa cant do nothing with this little rascal"
 Yeah nigga what the hell
 Talking baby business, yeah
 Don't be fucking with me
 Cause you wont get off easy
 I feel just like Drew Brees
 When they kick off football season
 How I cut the ref, you can't stop it from bleeding
 Rappers betta leave me 'lone
 if they gon' keep on breathing
 Now keep on starving and I'mma gonna keep on eating
 And you keep on sucking, and I'mma keep on skeeting
 You gon be the one bussing or be the one fleeing
 You better keep on trucking
 Aint no muthafucker trouble this eveningBirds for the summer
 Hummers for the runners
 Candy on the paint
 9 for the thunder
 Throw a couple hundreds
 Fishing on a fishtail
 With big money shit, cash money oilwell
 High roller, shot caller, big boss
 Original, real nigga from the start
 Head huntin', price on a nigga tab
 Hit 'em up, for playing with a nigga maleUh, ain't it crazy how shit be
 That's why I flush it
 I got the Tommy gun with the drum
 That's percussion
 I just popped a couple pain pills, self destruction
 I made something out of nothing, thanks for nothing
 I pistol whip ya bitch, knock her out Robitussin
 Ran up in your house, killed everybody, no discussion
 Rep, that muthafucking red flag like a Russian
 Yeah, look, I told her baby I'm a thrash her
 We kissed, I lit her ass up then I ashed her

No hard feelings, no car dealing, but I shuffle my queen
Duffle bag too heavy to carry to the car
My Mary in a jar
I'm food, I let the haters add a little salt
That's cool, I do it for all the niggas that try
And all the bitches I've fucked, and all my niggas that died
TunechiBirds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail
With big money shit, cash money oilwell
High roller, shot caller, big boss
Original, real nigga from the start
Head huntin', price on a nigga tab
Hit 'em up, for playing with a nigga male
