

# Two Hearts

## Dave Mason

Well, there was no reason to believe she'd always be there  
But if you don't put faith in what you believe in  
    It's getting you nowhere  
    'Cos it hurts, you never let go  
    Don't look down, just look up  
'Cos she's always there to behind you, just to remind you  
    Two hearts, believing in just one mind  
You know we're two hearts believing in just one mind  
    Well, there's no easy way to, to understand it  
There's so much of my life in her and it's like I'm blinded  
    And it teaches you to never let go  
    There's so much love you'll never know  
    She can reach you no matter how far  
    Wherever you are  
    Two hearts, believing in just one mind  
    Beating together till the end of time  
You know we're two hearts believing in just one mind

    Together forever till the end of time  
    She knows  
There'll always be a special place in my heart for her  
    She knows, she knows, she knows  
    Yeah, she knows  
    No matter how far apart we are  
    She knows, I'm always right there beside her  
    And we're two hearts, believing in just one mind  
    Beating together till the end of time  
You know we're two hearts believing in just one mind  
    Together forever till the end of time  
You know we're two hearts believing in just one mind  
    Beating together till the end of time  
    We're two hearts believing in just one mind  
    Together forever till the end of time
