

Sweet Chris

Ultimate Painting

Do you have a feeling of pressure
Heard to measure all around
Do you lie awake in the darkness as it passes
Looking down to the ground Sweet Chris I never see you anymore
I miss the little things you'd say and do
In my mind it's alright
You're still there in my heart Do you look away to the darkness
When it's cold and tell yourself
In time we will see ever clearer
And you're feeling look down to the ground
Sweet Chris with everyday that passes by
I miss the little things you'd say and do
In my mind it's alright
You're still there in my heart Sweet Chris I never see you anymore
I miss the little things you'd say and do
In my mind it's alright
You're still there in my heart Sweet Chris with everyday that passes by
I miss the little things you'd say and do
In my mind it's alright
You're still there in my heart
Sweet Chris I never see you anymore
I miss the little things you'd say and do My Chris I never see you anymore
I miss the little things you'd say and do My Chris
