Give It a Try

Sigma

Everybody has a dream that they hold on to
But what can they do to make it come true?
Everybody has a whole lot of life to live
But you've got to sit back
Oh, you gotta relax!
You've got to love every breath you breathe
Look at the sky and believe (oh yeah)
Smile a little more as life goes by
With love in your eyes
Just give it a try
Give it a try
If you're tired of looking over your shoulder It's time, to take a look at yourself.
Don't be left on the shelf
In the end you will surrender and then you'll be fine
Like everyone else
You'll be back in yourself

You've got to love every breath you breathe
Look at the sky and believe (oh yeah)
Smile a little more as life goes by
With love in your eyes
Just give it a try
Give it a try
Everybody makes mistakes sometimes.
It's all right. It's all right!
But you can have a better life my friend, here in the ?back?
One day at a time, and your life will shine
You've got to love every breath you breathe
Look at the sky and believe (oh yeah)
Smile a little more as life goes by
With love in your eyes
Just give it a try
Give it a try
Why kiss it good bye? (bye, bye).
Just give it a try!
