

Hollywood (Africa)

Red Hot Chili Peppers

Take me back
Hold my hand
All the way back
To the brother land
Take me back
I want to go back
Take me back
And my funky ass band
All the way back
To the brother land
Take me back
I want to go
As fast as I can
Slidin' on back
To the brother land
Now children
Hollywood
I want to get up and go
With my funky ass jams
All the way back
To the brother land
Take me back
I want to go back
Hollywood
Where the women
Is the women
And the man
Is the man
I want to go
As fast as I can
Slidin' on back
To the brother land
Now children
