Only Daddy That'll Walk the Line

[Roger Miller](#)

Everybody knows you've been steppin' on my toes
And I'm gettin' pretty tired of it
You keep-a steppin' out of line and-a messin' with my mind
If you had any sense, you'd quitEver since you were a little bitty teeny girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the lineI keep-a workin' everyday, all you wanna do is play
I'm tired of stayin' out all night
I'm comin' unglued from your funny little moods
Now honey, baby, that ain't rightEver since you were a little bitty teeny girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the lineYou keep-a packin' up my clothes, nearly everybody knows
That you're still just-a puttin' me on
When I start walkin' then I hear you start squakin'
Beggin' me to come back homeEver since you were a little bitty teen girl
Said I was the only man in this whole world
Now you better do some thinkin' and then you'll find
You got the only daddy that'll walk the line
