Hey Santa

Straight No Chaser (Holiday)

Hey Santa, can you bring me something good?
(Something good, something good)
Hey Santa, can you bring me something sweet?
(Something sweet, something, something sweet)
Like chocolate kisses or candy canes
Gumdrops or butterscotch, fruity flavor, chewy ringsHey Santa, can you bring me something nice?
(Something nice, something nice)
Hey Santa, can you bring me something new?
(Something new, something, something new)
Like a diamond bracelet or a diamond ring
How about a shiny new, baby blue, convertible?
Hey Santa, can you bring me everything?Hey Santa, can I sing this song to you?
(Sing to you, sing to you)
Hey Santa, can you make my wish come true?
(Make it true, make it, make it true)
Can you fill my stocking with lots of treats?
Boxes with red and green, underneath the Christmas tree?
Hey Santa, can you bring me everything?
