Live Fast Die Young

Circle Jerks

GoI don't wanna live to be thirty four
I don't wanna die in a nuclear war
Go on out, get some more
Go on out to the bar, the market or the liquor storeI don't wanna live to be forty three
I don't like what I see going on around me
Go on out, get some more
Go on out, get fucked up and pass out on the floorGo on out, get some more
Go on out to your favorite liquor store
Go on out, don't worry about it no more
Go on out, get fucked up on the floorI don't wanna live to be fifty seven
I'm living in hell, is there a heaven?Live fast, die young!
Live fast, die young!
Live fast, die young!
