# Deserve This

## Circa Waves

There's far, too many summers
I haven't seen or lived
But I'll only love her
To chase a dream, I miss youYeah the car drives to the suburbs
I've never seen her craved
All my home comforts, the TV screen
The nights with youOh and why do I deserve this?
I was never good on purpose
So why, oh why?
It's far, too many summers
I haven't seen her live
But I'll only love her
To chase a dream, I miss you
Oh and why do I deserve this?
I was never good on purpose
Oh why do I deserve this?
I was never good on purposeOh why, oh why?
