

Garlands

Cocteau Twins

Garlands evergreen
Forget me not wreaths
Chaplets see me drugged
I could die in a rosary Die in a rosary
Die in a rosary
Die in a rosary
Die in a rosary Well, with these brave garlands
They never find out for her
They never find I'm lying
Well, with these etchings
Cravings convince
My cravings commence Garlands evergreen
Forget me not wreaths
Chaplets see me drugged
I could die in a rosary Die in a rosary
Die in a rosary
Die in a rosary
Die in a rosary Well, with these scarves scars
Cravings convince
My cravings commence
Well, with these splints scars
I'm all that to you
I'm all that's who Garlands evergreen
Forget me not wreaths
Chaplets see me drugged
I could die in a rosary Die in a rosary
Die in a rosary
Die in a rosary
Die in a rosary Well, with these scarves scars
Cravings convince
My cravings commence
Well, with these splints scars
I'm all that to you
I'm all that's who
