Please Don't Go

Lauren Sanderson

Baby please don't go
Baby please don't go
Baby please don't go
Baby please don't go
Baby won't you stay
But there's a twist with you there always was a twist
We always knew to go but we always seem to miss
Payin' for all the targets that we could never hit
Swore we couldn't stay but we swore we couldn't quit
Play hard to wrong to wrong timin'
Loved you we loved fightin'
Nothing hurts more than free fallin' after Flynn'
Darkness after shinin' but we tried that's all that matters
But we tried that's all that matters yeah two souls left to shatter
Same love and same pattern drop the pen drop the mic
Drop the chapter endless love and endless disaster
Baby please don't go no no no no no no no no no nooo
Baby please don't go no no no no no no nooo
Baby please don't go nooooo oooohh
Baby please don't go baby won't you stay
And after everything I really wanna tell you sorry
I'm sorry for the pain I'm sorry you were sorry
You let me leave the town just like I wanted you at parties
And now the shows over and the bottles empty darling
But lookin' back it wasn't so bad I can't deny I miss the little shit we had
I miss your clothes holdin' you when you were sat back when I loved you but the past is in the past I miss your lips I miss your freckles in the summer miss you in my journal and in my bed as my lover
Replacement is a bitch you found under the covers and if she fucks you over then you're perfect for each other
Baby please don't go no no no no no no no no no nooo
Baby please don't go no no no no no no nooo
Baby please don't go nooooo oooohh
Baby please don't go baby won't you stay
Baby please don't go
Baby please don't go
Baby won't you stay
Baby please don't go
Baby please don't go
Baby won't you stay
