

So Much Things to Say

Bob Marley & The Wailers

Ooh yeah yeah yeah yeah yeah (yeah yeah yeah)

Ooh yeah, yeah

They got so much things to say right now

They got so much things to say

They got so much things to say right now

They got so much things to say Eh! But I'll never forget no way

They crucified Jesus Christ

I'll never forget no way

They stole Marcus Garvey for rights ho-oooh!

I'll never forget no way

They turned their back on Paul Bogle

Hey! So don't you forget (no way) your youth

Who you are and where you stand in the struggle They go so very, so very, so very, so very, so very, so very

So very, so very, so very

Everything they say so much to say

They got so much things to say, so much things to say

I and I nah come to fight flesh and blood But spiritual wickedness in high and low places

So while they fight you down

Stand firm and give Jah thanks and praises

'Cause I and I no expect to be justified

By the laws of men, by the laws of men

Oh, true they have found me guilty

But brooh, through Jah proved my innocency Oh, when the rain fall, fall, fall now

It don't fall on one man's housetop

Remember that, when the rain fall

It don't fall on one man's housetop They singin' so very much, so very much, oh so very much

So so very

They got so much things to say right now

Yeah, they got so much things to say Hey, but I and I, I and I nah come to fight flesh and blood

But spiritual wickedness in 'igh and low places

So while, so while, so while they fight you down

Stand firm and give Jah thanks and praises

I and I no expect to be justified

By the laws of men, by the laws of men

Hey through God to prove my innocence

I told you wicked think they found me guilty They got la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la

They la very much all the time So much things to say, rumor about

They got the rumor without humor

They don't know what they're doin', yeah
