

You're What's Missing In My Life

The Supremes

Ooh, I thought my life was happy
(Thought my life was happy)
I thought that I was fulfilled Then you enriched my life
(Oh, what a change)
My whole new world was revealed I never really lived
(Never really lived)
Till you show me how
You changed my whole life
My heart knows it now That you're, you're what's missing in my life
(In my life, in my life)
Darling, you're, you're what's missing in my life
(In my life, in my life) I had a hunger I never knew
Until we loved and you fed it
Like the book with a missing page
Oh, I never knew it until you read it I never really lived
(Never really lived)
Though I had good intentions
In just a few hours
You showed me new dimensions You're, you're what's missing in my life
(In my life, in my life)
Tell the world that you're
You're what's missing in my life
(In my life, in my life) You're what's missing, you're what's missing
(Sweet love)
In my life, in my life
(Sweet love) You're what's missing, you're what's missing
(Sweet love)
In my life, in my life
(Sweet love) Ooh, I never really lived
(Never really lived)
Till you show me how
You changed my whole life
My heart knows it now You're, you're what's missing in my life
(In my life)
Tell the world, tell the world
(In my life)
You're, you're what's missing in my life
(In my life) Every day in every way, darling
(In my life)

You're, you're what's missing in my life
(In my life)Every day, every day
You're, you're what's missing in my life
(In my life)
Every day, every day, every day, every way
(In my life)You're what's missing, baby, in my life
(In my life, in my life)
Oh, I want to talk about it, believe me
You're what's missing in my life
