

Half the Lies You Tell Ain't True

Stereophonics

You could lick or chew tongue
In style tonight champagne drag queen
Suit pinstripe outta line
It's time to try how blisters on your feet
Blisters up your spine
If I could choose from two
I'd mime to be a smile
But when you rely on a lie that's true
And no one believes in the things you do
'Cause half of the lies you tell ain't true
I'm gonna find out I'm gonna find a piece of you
You could pick and lose diesel dreams
For crime I should win
And choose colors
Under size a naked fake
That's a face that fits for two
Sex brings out the spies
Hanging from your feet Hollywood star style
But when you rely on a lie that's true
No one believes in the things you do
'Cause half of the lies you tell ain't true
I'm gonna find out, I'm gonna find a piece of you
