No Strings Attached

Mr. Bungle

Baby you're not the only one
Oh ooh, ooh, yeah, hey, yeahI see the things he does to you
All the pain that he puts you through
And I see what's really goin' on
Stayin' out at night while you're by the phoneTake it from me, it's a lesson to be learned
Even the good guys get burned
Take it from me, see I would give you love
The kind of love that you've only dreamed ofBaby you're not the only one
You don't have to be afraid to fall in love
And I know that you've hurt in the past
But if you want it here's my heart
No strings attachedHe doesn't give you the kind of attention
That a girl like you needs
'Cause he always looks around, his eyes wander 'round
He doesn't see you like I see, yeahTake it from me, it's a lesson to be learned
Even the good guys get burned
Take it from me, baby, I would give you love
The kind of love that you've only dreamed ofBaby you're not the only one
You don't have to be afraid to fall in love
And I know that you've hurt in the past
But if you want it here's my heart
No strings attachedTake it from me, it's a lesson to be learned
Even the good guys get burned
Take it from me, see I would give you love
The kind of love that you've only dreamed of
So if you want to take a chance with meIf you take a chance with me
I'll be everything you need
Because it's our destiny, ohBaby, you're not the only one
You don't have to be afraid to fall in love
And I know that you've hurt in the past
But if you want it here's my heart
No strings attachedBaby, you're not the only one
You don't have to be afraid to fall in love
And I know that you've hurt in the past
But if you want it here's my heart
No strings attached
