Stuck On You

Savatage

She's got a hot look
Girl, you knock me out
Tell me what you're doin' tonight, my love
Girl, I'll show you what it's all aboutOh yeah, I stuck on you
I am stuck on you
Oh, stuck on you
I am stuck on you
NowPlaces baby
I want to take you home
I could make you feel alright, all night
You can't spend this night aloneOh yeah, I stuck on you
I am stuck on you
Oh, stuck on you
I am stuck on you
NowSweet vicious lady
And now that you are mine
I wanna take a piece of your precious behind
Oh, you're satisfiedOh yeah, I stuck on you
I am stuck on you
Oh, stuck on you
I am stuck on youStuck on you
Stuck on you
