

Friends of Mine

[Adam Green](#)

And we live on borrowed time
But this head shot's pretty good
I've been scheming for too long
I was starstruck by your mom We fall in love by accident
A heavenly coincidence
No matter what you think is true
Let me introduce you to some
Friends of mine, oh, friends of mine
Oh, friends of mine, oh, friends of mine And we brake for passing cars
In the pistol ripping chase
I regret the drugs you lost
So I skipped our second date We fall in love by accident
A heavenly coincidence
No matter what you think is true
Let me introduce you to some
Friends of mine, oh, friends of mine
Oh, friends of mine, oh, friends of mine We fall in love by accident
A heavenly coincidence
No matter what you think is true
Let me introduce you to Can't figure out this place
Guess someone hates my guts
I handed him the sign
Oh, friends of mine
