

# Like a Cowboy

**Phil Ayoub**

Every time I fall I get back up again  
Cinch my saddle up and find me another wind  
Let it take me where it wants to go  
Another one horse town, another damned old rodeo

I know this life is crazy  
But I'll be home soon baby

I'll ride in on a sunny day,  
Sing you a song, steal your heart away  
Like a cowboy  
Hang my hat like I'm here for a while  
Kick off my boots and drive you wild, like a cowboy  
Well baby you know I can't stay long  
You wake up, I'll be gone  
Until then I'll hold on, like a cowboy

I keep your picture tucked inside my old hat  
It brings me luck, I need a bunch of that  
This midnight winding road runs through my blood  
I can't give it up, like I said I would

I know it's hard on you but like I always do

I'll ride in on a sunny day,  
Sing you a song, steal your heart away  
Like a cowboy  
Hang my hat like I'm here for a while  
Kick off my boots and drive you wild  
Like a cowboy  
Well baby you know I can't stay long  
You wake up, I'll be gone  
Until then I'll hold on  
Like a cowboy

I'll ride in on a sunny day,  
Sing you a song, steal your heart away  
Like a cowboy  
Hang my hat like I'm here for a while  
Kick off my boots and drive you wild

Like a cowboy, like a cowboy  
Like a cowboy, like a cowboy

Every time I fall I get back up again  
Cinch my saddle up and find me another wind
