Right Where I Should Be

Us The Duo

I used to be afraid of fear
But every time I feel it something goods about to happen
And silently Iâ€™m somewhere I shouldnâ€™t be

But I am right where I should be
I am right where I should be
Everyone said I couldnâ€™t which is why I did it
Oh I am right where I should be
Oh Oh Ohhh Oh
Oh Oh Ohhh Oh

I used to be afraid of failure, oh but
Every time Iâ€™m failing something greats about to follow
And silently Iâ€™m somewhere I shouldnâ€™t be
Ohhh

But I am right where I should be
I am right where I should be
Everyone said I couldnâ€™t which is why I did it
Oh I am right where I should be
Oh Oh Ohhh Oh
Oh Oh Ohhh Oh

But I am right where I should be
I am right where I should be
Everyone said I couldnâ€™t which is why I did it
Oh I am right where I should be

I am right where I should be
I am right where I should be
Everyone said I couldnâ€™t which is why I did it
Oh I am right where I should be
Oh Oh Ohhh Oh
Oh Oh Ohhh Oh
Oh Oh Ohhh Oh
Oooooo
