# I Wanna Life

## Goldfrapp

I sit alone on empty glasses
The lights come on illuminating
A nowhere bar that's like a Tardis
It's the longest night I've ever known
Too much, too little
Too little, wanna dance, ohh, oh, oh
Too much, too little
Too little light, ohh, oh, oh
I wanna life, I want it now, forever
I wanna life, I wanna know
I wanna life, I wanna be together
I wanna life, I wanna know
No damaged goods can be refunded
On broken hearts I can't rely
I found a diamond that shines brightly
I can't let that go, don't pass me by
Too much, too little
Too little, wanna dance, ohh, oh, oh
Too much, too little
Too little light, ohh, oh, oh
I wanna life, I want it now, forever
I wanna life, I wanna know
I wanna life, I wanna be together
I wanna life, I wanna know
Ohh, oh, oh
Tonight, tonight, tonight
Tonight, tonight, tonight
I wanna life, I want it now, forever
I wanna life, I wanna know
I wanna life, I wanna be together
I wanna life, I wanna know
I wanna life, I want it now, forever
I wanna life, I wanna know
I wanna life, I wanna be together
I wanna life, I wanna know
Tonight, tonight, tonight
Tonight, tonight, tonight
