Kottonmouth Kings

Sex Toy, Sex Toy, Sex ToyAll i wanna do is have some fun and fuck
grab my sex toy, so i can wind it up
pocket wankle bounce, do it down south
here comes my nut, i want you to put it in your mouth
like it when you lick it, love it when i hit it
show me what you want
make that face when i split it
the sound of sex, the sound effects
when the dick gets the pussy wet
(pussy wet, pussy wet)
Lets go to the bedroom so we can have some more sex
you know D-Loc's a pimp i like to keep on deck?
in house pussy any minute any sec.
....and let your draws drop nextI don't think you know what you do to me, ya bring me joy!..
Wind me up i just want to play with you, your my sex toy
I don't think you know what you do to me, ya turn me on!..
Do those freaky things that you do to me, all night long!
