

Too Young to Fall in Love

Chelsea Lankes

You say our love is like dynamite
Open your eyes, we're like fire and ice
Well you're killing me
Your love's a guillotine
Who don't you just set me free?
Run for the hills
We're both sinners and saints
Not a woman but a whore
I can taste the hate
Now I'm killin' you
Watch your face turnin' blue
Not yet a man, just a punk in a street
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
You say our love is like dynamite
It's no surprise you've got one way eyes
Now you're killin' me
Your love's a guillotine
Not yet a man, just a punk in a street
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
-musical break-
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
Too young to fall in love

Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
Too young to fall in love
Too young to fall in love
Too young to fall in love
I'm too young, I'm too young
