Dreaming, dreaming
Seeing, seeingDreaming, dreaming
Seeing, seeingDreaming, I'm still dreaming
Dreaming my life 'til the day that I die
Dreaming my life 'til the day that I dieSeeing, always seeing
Color so beautiful, softer than sin
Color so beautiful, softer than sinDreaming, I'm still dreaming
Dreaming my life 'til the day that I die
Dreaming my life 'til the day that I dieSeeing, always seeing
Color so beautiful, softer than sin
Color so beautiful, softer than sin
