Fall of the Year

Ricochet

So many seasons have come and gone
Like bitter sweet love in my life I've known
But this time it's different, it's hard to believe
That summer is over and you're still here with meIt's the fall of the year and everything's changing
See the leaves turn their colors, feel the air turning cool
And if you haven't noticed, I've been changing too
It's the fall of the year, I've fallen for youI use to wonder if I'd ever find
Someone I could trust with this heart of mine
Well, I found the answer in this old harvest moon
Tonight in your arms I give my heart to youIt's the fall of the year and everything's changing
See the leaves turn their colors, feel the air turning cool
And if you haven't noticed, I've been changing too
It's the fall of the year, I've fallen for you
