Tap That

Steve Arrington

Oh snap, look at that, there you go, where you at?
Slow it down, baby, we should go crazy
Tempt you, tease you, anything you want to do
I'll give it to you just how you like it, boyDon't play dumb you know you wanted to
Feel my cup, that's what we came to do
I'm the boss keep that in your head
Don't forget you know I'm gonna get youI'ma teach you how to scream my name
You're never gonna get away from me
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get youYou come on over here and play with me
Let me be your dirty fantasy
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get youHead to toe priceless, my diamond's flawless
Just the way you show me, I'm the one and only
'Cause in a few I'ma show you something new
(Baby)
And you can do what you really want to do
(Woah)Don't play dumb you know you wanted to
Feel my cup, that's what we came to do
I'm the boss, keep that in your head
Don't forget, you know I'm gonna get youI'ma teach you how to scream my name
You're never gonna get away from me
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get youCome on over here and play with me
Let me be your dirty fantasy
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get you
I'm gonna get youI know you want to talk to me
Just tell me what you want to see
And maybe we can do something
And sometimes it's that other thingAnd yeah I kinda want that, show me all about that
Show me you got what it takes
So come with me and do it tonight
Tonight I'm gonna get youI'ma teach you how to scream my name
You're never gonna get away from me
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get youCome on over here and play with me
Let me be your dirty fantasy
Yeah, I kinda like that, I wanna tap that

You can bet I'm gonna get youI'ma teach you how to scream my name
You're never gonna get away from me
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get youCome on over here and play with me
Let me be your dirty fantasy
Yeah, I kinda like that, I wanna tap that
You can bet I'm gonna get you
