Are You Getting Enough

Hot Chocolate

Every time I go to the movies
All I see is happy love on the silver screen.
Everywhere I go I see men and women lovin'
Kissin' and a-huggin'
enjoyin' life.
Oh
what's the matter with me
Am I lonely
Is there anybody out there who feels the same?
Every time I turn on my T.V.
I see somebody lovin' somebody.
Are you getting enough happiness?
Are you getting enough of what makes you happy?
Are you getting enough happiness?
Are you getting enough of what makes you happy?
Every time I open a book
Or read a magazine

There's happy love everywhere I look.
Every page I turn I can read between the lines
That the boys gonna get it
get it tonight.
Oh
what's the matter with me
Am I the only one
Oh
is there somebody out there who feels the same?
Every time I turn on my radio
I hear a love song playing on every show.
Are you getting enough happiness?...
I need excitement in my life.
I need happiness
happiness every night.
I need someone to call upon when the need is strong
For lovin'
for lovin'.
Are you gettting enough happiness?...
