

# Afraid

## David Bowie

I wish I was smarter  
I got so lost on the shore  
I wish I was taller  
Things really matter to me But I put my face in tomorrow  
I believe we're not alone  
I believe in Beatles  
I believe my little soul has grown And I'm still so afraid  
Yes, I'm still so afraid  
Yeah, I'm still so afraid  
On my own, on my own What made my life so wonderful?  
What made me feel so bad?  
I used to wake up the ocean  
I used to walk on clouds If I put faith in medication  
If I can smile a crooked smile  
If I can talk on television  
If I can walk an empty mile Then I won't feel afraid  
No, I won't feel afraid  
I won't feel, feel afraid  
Anymore Anymore  
(And then I just won't be afraid)  
Anymore  
(And then I just won't be afraid)
