Chauffeur Blues

Jefferson Airplane

Won't you see my chauffeur
Won't you see my chauffeur
I want him to drive me
I want him to drive me downtown
For he drives so easy, that I can't turn him downBut I don't want him
But I don't want him
To be ridin' these girls
To be ridin' these girls all around
I'm gonna steal me a pistol, shoot my chauffeur downGoing to let my chauffeur
Going to let my chauffeur
Drive me around the
Drive me around the world
Then he will be my lover boy, I will be his girl
