World Coming Down

Type O Negative

She thinks, I'm iron man that I don't feel pain
WelI, I don't understand why joy must be feigned
I'm so fortunate yet filled with self hate
But the mirror shows me an ingrateI could easily start pointing fingers
Since the blame is mine it always lingers
That the truth it lies in my reflection
Though this can't go on, there's no questionYeah I know
That my world is comin' down
Yeah I know, I know
I'm the one who brought it down
Brought it down, bring it on downHow quickly pass the days, long is the night
Lying in bed, awake, bathed in starlight
Better to live as king of beasts
Than as a lamb, scared and weakI will deny my role as a human
([Incomprehensible])
Holdin' myself hostage with no demands
([Incomprehensible])
It's better to burn, quickly and bright
([Incomprehensible])
Than slowly and dull without a fight
([Incomprehensible])Well, I know, mmm
Ah, that my world is comin' down, mm mm, mm mm
Now I know, I know, whoa, whoa, whoa, whoa
I'm the one that brought it down
Brought it down, bring it on downOoo, I know
That my world is comin' down
Yeah I know, I know, whoa, whoa, ho, ho
I'm the one who brought it down, brought it down(Yeah, hey)
Yeah I know
And my world is coming down
Yeah I know, I know, ho
I'm the one who brought it down
Brought it down, bring it on downOoh, wah, ooh, wah, ooh, wah, ooaI know
That my world is comin' down
Yeah I know, I know, whoa, ho, ho
I'm the one who brought down
Brought it down, bring it on downOoh, wah, ooh, wah, ooh, wah, ooa
Ooh, wah, ooh, wah, ooh, wah, ooa
Ooh, wah, ooh, wah, ooh, wah, ooa
