

# Better Days

## Goo Goo Dolls

And you asked me what I want this year  
And I try to make this kind and clear  
Just a chance that maybe we'll find better days  
'Cause I don't need boxes wrapped in strings  
And designer love and empty things  
Just a chance that maybe we'll find better days[Chorus]  
So take these words and sing out loud  
'Cause everyone is forgiven now  
'Cause tonight's the night the world begins again I need some place simple where we could live  
And something only you can give  
And that's faith and trust and peace while we're alive  
And the one poor child who saved this world  
And there's ten million more who probably could  
If we all just stopped and said a prayer for them[Chorus] I wish everyone was loved tonight  
And somehow stop this endless fight  
Just a chance that maybe we'll find better days[Chorus] 'Cause tonight's the night the world begins again
