That Funny Feelin

Phil Streva

That Funny Feelin by Phil Streva
Chorus
I Got that Funny feelin
Itâ€™s way down deep inside
I got that funny feelin
Itâ€™s a love I cannot hide

When I hold her hand
I feel just like a man
I get this funny feelin
That I just canâ€™t understand
Chorus
When I hold her tight
She donâ€™t try to fight
Cause we both got that feelin
Way down deep inside
Chorus
When my lips meet hers
A funny feelin occurs
Itâ€™s something from within
I can feel it starting again
Chorus
