Drown

Disbelief

WAVES DON'T MAKE ME DROWN!sometimes there is no sleep
awake i lie in bed
and the journey begins again...
again, again...WAVES DON'T MAKE ME DROWN!i'm living through
all i ever felt
the pictures in my head
the words so loud
i have no reflect
if i want it or not
my burnt out soul
sends me a sign
LAST S.O.S., LAST S.O.S.not willing to fail
giving up my mind
i fight against the dawn
i'll save my live
the stormy sea
is full of waves
those ups and downs
try to weaken meWAVES DON'T MAKE ME DROWN
WAVES DON'T MAKE ME DROWNnot willing to fail
giving up my mindDROWNWAVES DON'T MAKE ME DROWN
WAVES DON'T MAKE ME DROWN
WAVES DON'T MAKE ME DROWN
WAVES DON'T MAKE ME DROWN
DROWN
WAVES DON'T MAKE ME DROWN
DROWN
WAVES DON'T MAKE ME DROWN
DROWN
WAVES DON'T MAKE ME DROWN
