

When I Was Young (2015 Remastered Version)

Tina Turner

The rooms were so much colder then
My father was a soldier then
The times were very hard
When I was young
When I was young I smoked my first cigarette at ten
And for boys I had a bad yen
I had quite a ball
When I was young
When I was young When I was young it was more important
Pain more painful, the laughter much louder, yeah
When I was young
When I was young I met my first love at thirteen
He was brown, and I was pretty green
I learned quite a lot
When I was young
When I was young When I was young it was more important
Pain more painful, the laughter much louder, yeah
When I was young My faith was so much stronger then
I believed in fellow men
I was so much older then
When I was young
When I was young
When I was young
