

Stack Shot Billy (Live, Randolph St)

The Black Keys

Stack shot Billy in the back of the head
Stack made sure Billy Lyons was dead
.45 pistol down in Stack's right hand
Sent him away to the Promised Land Stack shot Billy
.45
Stack shot Billy
Billy laid down and died Stack Lee had himself an evil brain
Loved his gun and his sweet cocaine
But Stack got quiet when the shadows fell
Knew soon enough that he'd burn in hell Stack shot Billy
.45
Stack shot Billy
Billy laid down and died Stack shot Billy in the back of the head
Stack made sure Billy Lyons was dead
.45 pistol down in Stack's right hand
Sent him away to the Promised Land Stack shot Billy
.45
Stack shot Billy
Billy laid down and died
