The Enemy Inside

Dream Theater

Over And Over Again
I Relive The Moment
I'm bearing the burden within
Open wounds hidden under my skinPain is real as a cut that bleeds
The face I see every time I try to sleep
Staring at me crying[CHORUS]I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy insideI sever myself from the world
and shut down completely
All alone in my own living hell
overcome with irrational fearUnder the weight of the world on my chest
I buckle and break as I try to catch my breath
Tell me I'm not dying[CHORUS]I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy insideI'm a burden and a travesty
I'm a prisoner of regret
Between the flashbacks and the violent dreams
I am hanging on the edgeDisaster lurks around the bend
Paradise came to an end
And no magic pill
can bring it back again[CHORUS]I'm running from the enemy inside
Looking for the life I left behind
These suffocating memories are etched upon my mind
And I can't escape from the enemy inside
