

Tell Me

Galaxie 500

Tell me, one more time
You like the shoes I wear
Tell me, as you leave
You really couldn't care I bought all the drinks
And I paid for your friends
Jesus, can't you see
I'm goin' 'round the bend? Step into my shoes
And see things as I do
Step inside this house
You know, I'd love you to How come you can't see
The things you left behind?
How come you can't see
I'm goin' 'round the bend?
