Pieces Of The Sun

Test Your Reflex

I don't wanna be the one
I don't wanna be the one who tells you
That I don't know what I've become, or what I want to be
I know I'm always on the run
I'm always searching for the final moment
And I know that it will come
Yes I will be free, I will be freeEverything little thing I promised you I'll make it come true
I'm not ready to stop
What is love, little pieces of the sun
It's bound to touch you, if you're ready or notIt's getting harder everyday, as I listen to the conversations
I'm getting tired of this place
And I need to go, I need to go
Everything little thing I promised you I'll make it come true
I'm not ready to stop
What is love, little pieces of the sun
It's bound to touch you, if you're ready or notAll along I've tried to hide
Afraid that you would see right through me
All the pain and tears I've cried
I've never really told the story
Nothing's left to lose this time
I'm getting out the game is ending
Promise me at least you'll try, to do the same and leave with meEverything little thing I promised you I'll make it come true
I'm not ready to stop
What is love, little pieces of the sun
It's bound to touch you, bound to touch you
To touch you (every little thing I promise you)
To touch you
To touch you (I'll make it come true)
Bound to touch youTo touch you (every little thing I promise you)
To touch you
To touch you (I'll make it come true)
Bound to touch you
