# Blog That

## Juelz Santana

We all here, her me now!

Just put a picture up on InstaGram, InstaGram
Now IÂ’m in the kitchen whipping InstaGram, InstaGram
IÂ’m getting money nigga fuck that,
You girl wanna fuck me nigga, blog that!
You a hater, eat a dick nigga, blog that
I just brought another whip nigga, blog that
IÂ’m back, tell em motherfucker blog that,
And IÂ’m bout to pop it off, brush strap.

Fresh off my eyes, fresh off my eyes,
Titanic back in business, now letÂ’s get reacquianted,
IÂ’m that nigga, AKA not do wanna play,
IÂ’m all this bitches favourite,
IÂ’m flyer in your playlist,
Be gone with my aces, screaming out our haters,
All you niggas talking IÂ’m just stupid IÂ’m not aiming
Still whipping that caty, still whipping that caty,
..She ready, then I pass the tumb ready,
Oh 20 bange in the rubber band
Oh, on my neck about a 100 grand,
Blind diamonds like I just came from the mother land,
Told you niggas IÂ’ll be on again.

Just put a picture up on InstaGram, InstaGram
Now IÂ’m in the kitchen whipping InstaGram, InstaGram
IÂ’m getting money nigga fuck that,
You girl wanna fuck me nigga, blog that!
You a hater, eat a dick nigga, blog that
I just brought another whip nigga, blog that
IÂ’m back, tell em motherfucker blog that,
And IÂ’m bout to pop it off, brush strap.

IÂ’m flyer and I get flown over, swag up I get swagged on,
Boss up I get bossed around, we donÂ’t cough hoes to get passed on,
Bad bitches I got that, big money I got that,
4 doors coops wipped it, top back I got that
Still keep that big thing, anything to blow your top back,
Who said it gonna take some, we right here they ainÂ’t take none,

Fall back we get flat line, red be in that black line,
Cold still in this hot shales, you talk shit and now back mine,
IÂ’m ball even when itÂ’s have time,
Your bitch call is that time,
IÂ’m lick like I canÂ’t do and she tryin get her whacks on,
If ainÂ’t the Ferrari is the Bentley Musolini,
Or the phantom or the ghost, wondering if they can see me,
Hex tag my bitch bad, hex tag my jewels real,
Hex tag y pocketÂ’s fat, now just because I made the sale,
Hex tag my click kill, your bitch think IÂ’m pay deal,
Fucked over my jaze on, hit her with that whip mill.

Just put a picture up on InstaGram, InstaGram
Now IÂ’m in the kitchen whipping InstaGram, InstaGram
IÂ’m getting money nigga fuck that,
You girl wanna fuck me nigga, blog that!
You a hater, eat a dick nigga, blog that
I just brought another whip nigga, blog that
IÂ’m back, tell em motherfucker blog that,
And IÂ’m bout to pop it off, brush strap.
