Keen on boysAlready dead
So kill my head
There's a sun in his eyes
It won't go away
I'm already dead
Why is it I can't kill my....He would never sleep
Said I didn't mind it at all
Made me feel quite cheap
Looking back on it all
Then there was this kiss
He said thet he couldn't resist
And was I aware of what I missed?That night I slept on his couch
With my back turned to the wall
Nothing assumed but you know?
You know.....
In the morning we said nothing at all
All I could think of what this
He said that he couldn't resist
And was I aware of what I missed?
