I Need Your Love (Pete Bellis Remix)

[Calvin Harris](#)

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your loveI need your loveI take a deep breath every time I pass your door
I know you're there but I can't see you anymore
And that's the reason you're in the dark
I've been a stranger ever since we fell apart
I feel so out of sea
Watch my eyes are filled with fear
Tell me do you feel the same
Hold me in your arms againI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I go alive
I need to be free with you tonight
I need your loveI need your loveNow I'm dreaming, will ever find you now?
I walk in circles but I never make it out
What I mean to you, do I belong
I try to fight this but I know I'm not that strongAnd I feel so helpless here
Watch my eyes are filled with fear
Tell me do you feel the same
Hold me in your arms againI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your loveI need your loveAll the years
All the times
You were never been to blame
And now my eyes are open
And now my heart is closing

And all the tears
All the lies
All the waste
I've been trying to make it change
And now my eyes are openI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free
