

# All The People In The World

## Safri Duo

All the people in the world  
Every boy and every girl  
Just imagine that we could...  
It isn't hard to do.  
All the people in the world  
Every boy and every girl  
Just imagine that we could face our brotherhood.Give it up!  
You've just got to give it up!  
Let yourself just give it up!  
You've just got to give it up, up, give up give up and  
Give it up!  
You've just got to give it up!  
Let yourself just give it up!  
You've just got to give it up,up,give up give up and  
Jam it up!!From the mountains to the sea  
Through the valleys follow me  
From down below to way up high  
Baby we can touch the skyAll the people in the world  
Every boy and every girl  
Just imagine that we could  
Face our brotherhood!!!!
