Someday Soon

Basia Bulat

Oh calm hourglass Night still overcast This love cannot last Even if your will has
Will you think of me? Falling from your mind Were you ever mine? Did you think to ask
If I'll be gone someday, Someday soon, someday soon? I'll be gone, I'll be gone someday Someday soon
Someday Someday soon
Will you think of me? Falling from your mind Still there in the night Still there when you ask
If we'll be gone We'll be gone someday Someday soon Someday soon?
We'll be gone We'll be gone someday Someday soon Someday Someday soon Someday Someday soon
Someday Someday soon Someday soon Someday soon Someday soon
