Mary's Garden

Human Nature

You're steppin' out from daddy's world
But beauty falls
For richer boys with richer toys
No love at all
Silverbells can't make you feel
The way a lover's kisses do
(The way a lover's kisses do)
Let it go and feel the passion
Grow inside when I'm with you
Ooh Mary, Mary
Dance in my garden tonight
(Dance in my garden ooh Mary, Mary)
Girl, don't you hear me
Dance in my garden tonight
(Dance in my garden, ooh Mary, Mary)
Count to ten, close your eyes
Can you visualize a better man
Well, here I am
So let me be your fantasy, I know I can
Diamond things can't make you feel
The way two naked lover's do
(The way that naked lover's do)

Let it go and feel the fire
When I'm making love to you
Ooh Mary, Mary
Dance in my garden tonight
(Dance in my garden ooh Mary, Mary)
Girl, don't you hear me
Dance in my garden tonight
(Dance in my garden ooh Mary, Mary)
Mary's got the money
Mary's got the time
Mary's got the honey
Ooh Mary, Mary
Dance in my garden tonight
(Dance in my garden ooh Mary, Mary)
Girl, don't you hear me
Dance in my garden tonight

(Dance in my garden ooh Mary, Mary)
Mary's got the money
Mary's got the time
Mary's got the honey
A damn good lover's find
