Want Ya (Dj ELoAh Remake 2006 Remix)

Darin

C'mon, everybody, girl
I wanna see u shaking
Like that
Yeah
Woo!Walk into the party
I can feel your eyes on me as I walk in
Let's get this business started
It's time to make my move
U only get one shotI push up on your body
Now I finally have us standin' face to face
Away from everybody
I gotta throw a line
To show you what I've gotI say shorty here's my cue
'Cause I just had to talk to u
And I can tell u want it too
I said I need to get with uGirl, it's goin' down tonight
I'm gonna make you mine
Can't you see I want ya, I want ya girlI've been checkin' u all night
So what's the point of lying
Now can't u see I want ya I want ya girlNow I can be committed
I'll work that body like a nine to five
I might as well admit it
And as I grab your hips
I watch u lick your lipsU know I'm about to kiss u
Can't wait to taste the honey from the hive
To think I almost missed u
And now I'm standing here about to
Cash my chipsI say shorty here's my cue
'Cause I just had to talk to u
And I can tell u want it too
I said I need to get with uGirl, it's goin' down tonight
I'm gonna make you mine
Can't you see I want ya, I want ya girlI've been checkin' u all night
So what's the point of lying
Now can't u see I want ya I want ya girlYay
Ooh girl, I think its time we get together
Now everybody dance
Darin (trackslammer)
C'mon c'mon c'mon

Gonna make you mineGirl, it's goin' down tonight
I'm gonna make you mine
Can't you see I want ya, I want ya girlI've been checkin' u all night
So what's the point of lying
Now can't u see I want ya I want ya girl
I've been checkin' u all night
So what's the point of lying
Now can't u see I want ya I want ya girl
