Heartbreaker

The Rasmus

Well anyway it's a long story.
She's been waiting for so long
Still got the songs in her mind and the autograph on the photograph
She's got a past full of secrets
She's got a clock on her feelings
Back from the days when she used to have wings
She had a dream full of anger
She had a dream full of action
Afraid to get old she feels so cold
Such a typical reaction

[Chorus:]
Oh yeah, oh yeah. She wanted to be a heartbreaker
Oh yeah. She was so greedy but a lousy love maker
Oh yeah, oh yeah. She wanted to be a heartbreaker
Oh yeah...

She used to be the queen of the scene
She had a key but she lost it
Nothing's gonna last and the time goes fast - she knows
She had a man but she messed it up again
She had a chance but she blew it
She's gotta little baby boy in her womb but she doesn't have a clue yet

[Chorus]
Striking her down
Crushing her to the ground

Heartbreaker
Heartbreaker
Heartbreaker

Heartbreaker
Heartbreaker
Heartbreaker

[Chorus]

Well anyway it's a long story.

She's been waiting for so long

Well anyway its a long story
Well anyway it's a long story.
Heartbreaker
